

JOHN

10:11-13

A close-up photograph of a shepherd's crook, a curved wooden staff, leaning against the rough bark of a tree trunk on the left side of the frame. The crook is light-colored wood with some dark spots. In the background, a lush green field is visible with several sheep grazing. The sheep are out of focus, creating a sense of depth. The overall scene is peaceful and pastoral.

John 10:11

John 10:12-13
