Colossians 3

**1. This exhortation is *not for someone who is not a Christian.***

This sermon has five points – some good, some meh...

# 2. If you are a Christian, *where* is your Christianity?

Don't worry falling asleep in church doesn't mean ...

**3. The Christian life works from the *inside* to the *outside*.**

Luke 6:43-45 says, “What’s in you comes out...”

# 4. The internal life begins with the new birth.

Thanks for spending your holiday Sunday with us!
